## Director's Newsletter

Rascal Calcutt, Director

*Hello to all.*

*Well, the Chapter Christmas party was a fun time and I hope you all enjoyed yourself and a New Year is here, I hope everyone enjoyed their Holidays with family & friends also. We have got another calendar year filled with meetings & fun rides planed. I would like to welcome our newest members to our Chapter, Brain Hecht, Daniel Tyra, Brenda Baxter and SFC John & Stacie Hamilton...John is now serving in Afghanistan and we wish him a safe return.*

*Remember our Chapter Meetings have moved to the Mount Pleasant V.F.W Hall two doors east of the C&S Harley Davidson Sports Center and a new time has been discussed (either 10:30 am or 11:00 am), this time change will help the members that set up the hall for our meeting, so please keep this in mind for our vote at the next meeting.*

*SELL...SELL...SELL those bike raffle tickets, like our treasurer Jill said, if you enjoy the things that the Chapter helps to provide, then WE need everyone to pitch in and help out. Remember sell 10 get one free.*

*You must be a current national H.O.G. member to belong to any H.O.G Chapter, so please check your status to make sure you are or you can't be in the chapter.*

*Chapter membership dues are due, no dues no news letter and no event card. You have until the March meeting to have them payed or your chapter membership will end.*

*We also wish Shannon Loose a speedy recovery with her injury from her fall, even walks can be hell.*

### *Up Coming Events*

*Feb...5, Chapter Meeting at M/P V.F.W. Hall at 10:00 am.*

## Classified AD FOR SALE

I want to get a touring bike. I like the V-Rod, but the longer rides are a problem. This 100th Anniversary V-Rod has only 10,000 miles. Never dropped and never wrecked! All maintenance has been done through Harley Davidson authorized service stations. I am asking \$7500.00 so I can apply that money to a Harley Davidson touring bike. I will consider any and all reasonable trades. The V-Rod is currently covered in my garage and is in perfect working condition. Call me at 616-889-1316 if you have an offer or know of someone who may be interested. Paul Jager.

### ***.Joke of the Month***

The boss walked into the office one morning not knowing his zipper was down and his fly area wide open. His assistant walked up to him and said, "This morning did you close the garage door?" The boss told her he knew he'd closed the garage door, and walked into his office puzzled by the question. As he finished his paperwork, he suddenly noticed his fly open, and zipped it up. He then understood his assistant's question about his garage door. He headed out for a cup of coffee and paused by her desk to ask, "When my garage door was open, did you see my Hummer parked in there?" She smiled and said, "No, I didn't. All I saw was an old mini van with two flat tires."
